## CREA DECK-MOUNTED BIDET FAUCET BLACK

COLLECTION CREA, CREA FITTINGS

PRODUCT CODE: \$951-316

## **Product description**

The slender shapes of CREA fittings refer to the sublime delicacy of the entire Cersanit brand concept. The single-handle bidet faucet from CREA collection is fitted with the Cersanit Water Save Aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The applied ecological Cersanit Water Save Aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The faucet is also equipped with 45 cm long flexible Eco EPDM connection hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.
