

CREA DECK-MOUNTED HIGH WASHBASIN NICKEL COLLECTION [CREA](#), [CREA FITTINGS](#)

PRODUCT CODE:

S951-335

Product description

The slender shapes of CREA fittings refer to the sublime delicacy of the entire Cersanit brand concept. The single-handle countertop washbasin faucet from CREA collection is fitted with the Cersanit Water Save Aerator and a 35 mm ceramic cartridge which enables smooth control of the water stream. The applied ecological Cersanit Water Save Aerator aerates the water stream thus increasing its volume and limiting the water flow to 6 l/min. This allows for a strong, powerful stream without having to turn on the faucet to the maximum. The silicone finish of the EasyCLEAN aerator prevents limescale build-up. The faucet is also equipped with 60 cm long flexible Eco EPDM connection hoses. The hoses are WRAS certified, which confirms their high quality. A special coating lines the inside of the hoses so the water does not change its taste or smell. The product comes with a 12-year warranty on the body and a 5-year warranty on the cartridge.

Technical data

Acoustic group	I
Assembly method	standing
Battery type	mechanical
Body height	27,4 cm
Colour	nickel
Connection hoses	flexible connecting hoses G 3/8 inch, length 600 mm
Diameter of the head	3,5 cm
Flow class	Z
Handle	single handle
Perlator	Silicone aerator Cersanit Water Save
The length of the spout	16,6
Type of head	ceramic
Value for the acoustic group	up to 20 dB
Value for the flow class	4 l/min
Warranty	12 years for body, 5 years for cartridge
EAN code	5901771000297
